

Greetings to our brothers and sisters at the Shackle Island church of Christ,

The month of November 2016 was great in all my activities full with challenges and love of God.

We had an intensive door to door evangelism campaign by my WBS Evangelism Team to many villages mostly where we have newly planted congregations.

I preach a funeral sermon in November.

I lost my father-in-law through death and during his funeral service a soul was added to Christ through baptism.

I also lost a brother at Ikot Odiong through death, but two (2) souls were added to Christ at Ikot Odiong through baptism while two sisters gave birth to new born babies in November at Ikot Odiong.

Our Nigeria Christian College of Evangelism (NCCE), Ukanafun lectures holds every Wednesdays and Thursdays and our students are making great difference in the kingdom in the area of evangelism, we need your prayers to do more.

I was a guest preacher at Ogoja in northern Cross River State annual Bible lectureship in November and nine (9) people were put on Christ through baptism.

A total of 14 souls were put on Christ in baptism in November.

The annual Bible lectureship 2017 of church of Christ, Ikot Odiong, Ukanafun on the Theme: "OPEN YOUR EYES".... John 4:35 is planned to hold between Thursday-Saturday 19-21 January, 2017, it will feature WBS Seminar for old and new students, Salvation Messages, Intensive Door to Door/ Open Air Evangelism Campaigns, Indoor Bible Lectureship, Special Session For Preachers and Church Leaders, Open Forum, Free Feeding and Accommodation etc. We need your prayers and for a successful 3 days gospel campaign in Ikot Odiong and its environs. Topics have been carefully selected as outlined in the poster as well as speakers to do justice to the topics using the Bible.

In Christ,

Mojima Etokudo
