COURSES BEING TAUGHT THIS QUARTER AT THE NATIONAL BIBLE SCHOOL:

Eddison teaching "The General Epistles".

F.H. Gates Teaching "The Christian Home"

We continue to work on the growth of CHURCHES ALREADY PLANTED:

This is the church in **MONTES CLAROS, MINAS GERAIS**

Planning sessions for FUTURE MISSION POINTS IN MINAS GERAIS, BRAZIL:

LAVRAS, MINAS GERAIS

STEEL VALLEY, MINAS GERAIS

The Lord's hand is seen in everything that we do. Many things are happening and we are greatly encouraged that many brothers and sisters in the churches in greater Belo Horizonte, as well as in other cities around the state of Minas Gerais, are stepping up to the task. We envision many more good works being done in the very near future.

We request special prayers for new mission points that are being planned for the city of **Lavras, Minas Gerais** and for the **Steel Valley area** that has more than 500,000 inhabitants, composed of 5 cities that will most likely grow together and become one large metropolis in the near future.

Thank you, each and every person and congregaton that is participating in our work through prayer, encouragement and financial contributions. It would be impossible for the work to be done without each one of you. May the Lord continue blessing you and using you in His service where you are, as well as your participation in the work in Belo Horizonte, Minas Gerais, Brazil.
