Dear Brethren,

We hope all is well. There are about three weeks left and the winter quarter will come to an end. Next quarter I will be teaching Premillennialism, Joshua, Ecclesiastes and Song of Solomon. The students enjoyed their holiday break and are ready to get back to their studies.

December was a rough month. There was a lot of sickness that hit our family. From December 16th till December 30th, fifteen out of the seventeen of our family members had a stomach bug, the flu, step throat or ear infections. We had eight emergency room visits due to this sickness. I was one of the eight that went to the emergency room. Turned out to be the flu. I feel a lot better now and so does most of our family. Also, on December 25th Travis Blevins who served as an Elder at the Stoney Creek Church of Christ, died due to complication with leukemia. We ask that you keep the Blevins family in your prayers.

As always, thank you for all that you do in supporting the work here at the Tri Cities School of Preaching. Without your help none of this would be possible. So, thank you for what you do and may God continue to bless you.

In his Service  
Jeff Johnson
