

To the family

Thank you

The spring quarter which is our third quarter of the school year has started. Classes are going well, and are getting more in dept with the studies. The three classes I have this quarter are Preacher and his work 3, English 3, and the book of Joshua. I also have study periods each day of school to work on my school work. I am looking forward to these classes to grow in the knowledge of the word of God. That I can preach in a way for all to understand.

In the break between quarters I have been helping my brother who is the Dean of Media of the school. We have been painting and building sets for the TV and Radio that is a part of the school. We are almost done with two sets out of four that we plan on building. If you do not know about the Radio Program it is called "Arise to Truth" they are live every Tuesday and Thursday 2pm (EST) you can go to their web page at www.arisetotruth.com or tune in on the radio on 690 AM WZAP, to listen live. We also now have the Facebook and You Tube stream set up to where you can listen and watch the radio program when it is live. I will have more information on the TV programs when we get closer to finishing.

Bible class for Sunday and Wednesday are going well. We are in lesson 5 of the series I put together and there are 10 lessons in all for this quarter of the year. The lessons I have put together is called "Characteristics Of A Christian Life". They are learning fast and asking questions that go along with the lesson. I have been doing power point for these lessons on Wednesday night for the teens at Stoney Creek Church of Christ the congregation that over sees the school of preaching and on Sunday I have been using my iPad to teach class for the teens and young adults at my home congregation at Cherokee Church of Christ. I ask that you will keep the classes in your prayers that all will go well and the students I have in class will apply what they have learn in class.

Thank you for the support you have given me and keep me in your prayers that I can focus on my studies and safe travels to go preach the word for all to hear. I will keep you all updated on new information when it comes as the school year goes by.

In Christian Love
