Dear Brethren,

We hope all is well. Things are starting to look up around here. We are finally back to school and in to the flow of thing. The students were eager to get back to school as well.

Graduation is upon us. We will have one student graduating the third year program, while two will graduate the second year program but will have to come back and finish one quarter to complete the second year program. Because graduation is in June we let those students walk early.

Please keep my wife's brother in your prayers. He fell off a ladder onto a concrete floor and suffered some major head injuries. He was life flighted to Vanderbilt hospital in Nashville. There was no bleeding or swelling of the brain but he will have multiple surgeries to fix a lot of broken bones in his face. Everyone else is doing fine and staying busy.

We want to thank you for your support. You are a blessing to our family and to the work of the Tri Cities School of Preaching. Please Continue to pray for us, and the work here at the school. May God continue to bless you.

In his Service
Jeff Johnson
