Dear Brethren,

We hope all is well. We are underway with the new quarter and everyone is settling in well. The new students are getting adjusted to their schedules and are very eager to learn. This new group of students are going to do well.

We are now in the process of making the videos for the school and for the benefits of education. We have taped three videos to be sent out to congregations to educate them on the school and what we are doing here at the Tri-Cities School of Preaching. The first video is an introduction to the school. The second video is on the importance of preaching schools. The third video is on the cost of operations. As soon as we get these done I will be glad to send you a copy.

Sherry and Ema are doing great. Ema is still in the process of finishing High School and then off to College. If you know of any congregations or individuals that would like to help support us in the work here at the school, please have them contact me or put me in contact with them.

We want to thank you for your support. You are a blessing to our family and to the work of the Tri Cities School of Preaching. Please Continue to pray for us, and the work here at the school. May God continue to bless you.

In His Service  
Jeff Johnson
