Dear Brethren,

We hope all is well. We are about to complete this quarter. It's hard to believe that this year is almost over. This next quart I will be teaching the religion of Islam, Deuteronomy, and the book of Psalms.

We are having to finish the last two weeks of this quarter by way of zoom. We had a couple of first year students that were exposed to the COVID virus. They are not sick neither have they been sick, but to take the proper precautions we ask that these students along with the rest to stay home and we would finish classes by way of the Internet. Hopefully this will end soon and everything can get back to normal.

Sherry and Ema are doing good. Ema has finished High School. She was able to finish early but will not be able to graduate till May. She has applied to other colleges and as for now it looks like she is staying closer to home. She was accepted to Freed Hardeman University but now she is looking at Milligan College which is here in Elizabethton.

We want to thank you for your support. You are a blessing to our family and an answer to our prayers. Please continue to pray for the work of the Tri Cities School of Preaching. Please Continue to pray for us, and the work here at the school. May God continue to bless you.

In His Service
