Dear Brethren,

We hope all is well. We had to finish the last two weeks of the last quarter by zoom because of the COVID 19 virus and now, we have to start the first two or three weeks of this quarter by virtual because of the virus. We had several members of the church and two students test positive for COVID 19.

Hopefully this thing will finally begin to vanish and things can get back to normal.

Everyone in our family are doing good. Trying to stay safe from sickness. With the up and coming holidays we hope and pray for everyone's safety and hope you will have time to spend with your families.

This time every year is the time when we really try hard to raise support for the up and coming year. With the virus hitting and effecting many congregations it has been a difficult year for everyone. If you know of any individuals or congregations that would like to help support our work at the school of preaching please give them my contact information that is on this letter. Or, send me the their contact information and I would be glad to contact them.

We want to thank you for supporting our work at the school. You are truly a blessing to us and an answer to our prayers. May God continue to bless you.

In His Service

Jeff Johnson
