Dear Brethren,

We hope all is well. The last couple of months have been difficult. With churches not meeting and services cut in half support has been scarce. As the new year starts we found out that we lost \$650.00 a month in support. We have been able to make up \$450.00 of the \$650.00 that was lost. We are currently trying to raise the other \$200.00 that we are short each month. Also, with extra medical expenses that have been added, has made it even more difficult.

But, on the lighter side of things we found out that we will be grand parents again! This make number seven. We are excited about this news.

Everything at the school is going well. The students are doing good and staying busy. We are in the process of utilizing our tv studio more by having the students record programs for social media. This will help in giving them experience in tv evangelism.

As we continue to raise the funds that we have lost we ask that you pray for our effort. Please continue to pray for the work of the school, the radio program, our students and faculty. We want to thank you for supporting our work at the school. You are truly a blessing to us and an answer to our prayers. May God continue to bless you.

In His Service
