Dear Brethren,

Hope all is well. We start our fifteenth annual school lectureship June sixth through June tenth. We always use our students to speak on this lectureship to help with their preacher training. It is also one of the high lights of our year. Graduation is approaching us soon. This year's graduation will be held June twenty fifth. We have two students graduating this year. Alek Aker from Abingdon Virginia and Robby Eversole Jr. from Cleveland Tennessee. Alek will be staying for our third year program and Robby will possibly be taking a job in Alabama.

Sherry and I are doing well. We ask that you keep Sherry in your prayers, she will go back to the doctor in about four months to have more hearing test. It seems that her hearing is getting worse. We will know more after these test are done at a latter date. Ema is doing well. She will start college at North East State Community College in August.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service  
Jeff Johnson
