Dear Brethren,

We hope all is well. We are getting ready to start the next quarter. The students have enjoyed their break and are ready to start their studies. Also, the new students are excited about starting in August.

Sherry and I are doing fine. Since May I had some problems which we thought it may have been my heart. With wearing a heart monitor and a stress test, all came back normal. It turns out I have high blood pressure and now I am on medication for that. Since the medication I have felt much better. Our daughter Cortney will deliver our seventh grandchild on September fifteenth. This will make four boys and three girls. We hope in the future we can come visit and bring an update on our work here at Tri Cities. Please continue to pray for those affected by COVID and especially for our country.

Thank you so much for your support. You are truly a great blessing for our family and for the work of the Tri Cities School of Preaching. Without you none of this could be possible. Thank you for all you do and may God continue to bless you.

In His Service
Jeff Johnson
