

To the Family

September

Thank You

We just finished week four and mid-terms are coming up for week five of the 1st quarter. My classes are going well, and I have been studying as much as I can to get my schoolwork done early. As the quarter is going on my knowledge of the word of God has been growing in the way of the Lord. By taking the classes of Bible Geography, Greek, Marriage, Divorce, and Remarriage, and 1st Corinthians has helped me to better understand what was going on in the time of Christ when he was on this earth.

I ask for prayers for the work I am involved in with the Church of Christ Fall Branch. I have been helping the congregation out as much as possible. As a small congregation we are trying to grow in the area we are in. we have started the class for personal evangelism the series that use Back to the Bible booklets. Knowing the power of prayer, I ask that you pray for the congregation that we can grow the family in the area we are in.

Again, I thank you for the support you have gave me to further my studies as a preacher in teaching the truth of God's and I ask for prayer as I further my studies in becoming a preacher for the Lord's church. If you want to contact me personally you can email me at denvertate@outlook.com or you can contact me by sending through mail to 1697 highway 91 Elizabethton, Tennessee.

In Christian Love
