Dear Brethren,

Hope all is well. It has been a rough start to the fall quarter. The first two weeks of school we had four students sick. One of which tested positive for COVID. Because of this, we did not have any classes week three. The student that tested positive is doing fine and will return soon. The other three tested negative. They had some type of sinus infection.

We are excited about the future of the school. Bill Haywood will assume the role of Director July of next year. David Jones will be working with the school starting the winter quarter. David will also be the preacher for the Shady Valley church of Christ in Shady Valley Tennessee.

Sherry and I are doing great. Due to her hearing condition we are trying to stay safe from this virus. Please continue to pray for our country and for those who have been affected by this illness.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service  
Jeff Johnson
