

Dear brothers and sisters!

Second half of the summer is always full of various summer camp programs at churches. In July almost every member of our congregation participated in the annual Church of Christ camp, the biggest CoC event taking place in Ukraine (there were 360 people there this year). It's a wonderful opportunity to bring

there both church members and visitors for spiritual encouragement. It's a place where they can grow. This year I had an opportunity to assist in this camp and also to preach at Sunday worship service, and it was so great to be able to address so many Ukrainians at the same time with the message of Jesus Christ.

Baptism in Youth Bible camp

In August our Lviv congregation held a Youth Bible camp "KuroCamp". In my opinion, it was one of the most successful camps. There were 54 people from different towns and cities of Ukraine. Also there were many people with whom we work in Lviv. Besides all Christians from our congregation participated in the camp in various capacities. We have a great team of Christians. This year my family took more responsibilities in organizing this event. There were many things we had to do to make this camp successful. My family and I offered our land, electricity, water and house in order to have this camp at our home, in our backyard! We praise God for all these blessings that He gave us!

The most wonderful thing that happened during the camp was the salvation of yet another soul; a young man who came from Slovyansk to attend our camp (1000km distance) was baptized.

We continue having our regular church meetings on Wednesdays, Saturdays and Sundays in our congregation. And at the end of August we had a field trip to the bear zoo, so that our church family would grow stronger bonds. We invited our visitors who come to our Bible studies as well. Let's pray for them to see God's love through these meetings, so that they would make a decision to become a part of our spiritual family.

I'm grateful for your prayers and participation in this ministry!

God bless you abundantly!

Your brother and coworker in Christ,

Stas
