

To the Family

October

Thank you,

As the 1st quarter has come to an end, and finals have come upon us for the last week of school before the week break between the 1st and 2nd quarter, I have learned more of God's word in the four classes that I have taken this quarter. I am definitely looking forward to the three classes I have for this coming up quarter, and the knowledge I can gain of God's word. I ask that you continue to keep me in your prayers as I study to become a gospel preacher for the Lord's church.

I have been blessed to have the opportunity to speak at a gospel meeting for this month. This took place at Pleasant View Church of Christ in TN. I have also been blessed to have fellowship with other preachers, and members of the Lord's church, as we got together for activities throughout the week as the quarter went on.

As the school year goes on, I will have more to write to you, my family. I thank you for the support you have given me for school to be able to focus on my studies of God's word, and the prayers you have said for my behalf as I do the work of a preacher for the Lord's church.

In Christian Love,

Denver K. Tate
