Dear Brethren,

Hope all is well. The winter quarter has begun and everyone is doing fine. The students have settled back in from the break and are eager to get started.

Sherry and I are doing well. We are spoiling our new grandson along with the other six. Gram Carter Bogart was born September 6 and is doing fine. Two weeks after he was born, my daughter, her husband and their two other children got COVID. They are all doing well now, Gram never got sick. Sherry is still having her hearing checked every three months. For now there has been no change which is a good report. Please keep her in your prayers, she will have to have hearing test every three months. We hope everyone will have a safe and happy thanksgiving.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service
Jeff Johnson
