

Dear Brethren

November 29, 2021

I hope you had a wonderful time for Thanksgiving and that you will have a good Christmas Holiday. This week I am having my mid-terms for the quarter. My studies are going well for the classes I have. Included in the letter are the grades from the last quarter.

I am working on my budget and pray that you all will be able to continue my support. If you know of individuals or churches looking to support a student, I can still use additional funds.

We will be out of school for Christmas break starting December 17<sup>th</sup> and will return January 3<sup>rd</sup>. This quarter will end in January so please continue to pray for me and my studies as we finish this quarter.

In Christian Love,

Denver Tate
