Dear Brethren,

Hope all is well. Everyone is doing fine at the school. Those that were out sick have recovered and have returned. The quarter is half way over and the students are doing great.

We are beginning to plan for our annual lectureship which is coming up at the end of next quarter. The lectureship begins June 9th through June 10th. All of our students are on the lectureship. We use our students on the lectureship as part of their preacher training. This has been very beneficial to our students.

Sherry and I are doing well. We have been traveling a lot lately on behalf of the school. If you would like for us to visit with you and give the congregation an update on the progress and work of the school please let me know and we would be glad to visit.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service
Jeff Johnson
