Dear Brethren,

Hope all is well. This quarter is about to end. Finals week is approaching. The next quarter starts April 18th through June 23rd. Next quarter I will be teaching the book of Ezekiel to the second year class, the book of Job to the first year class and the doctrine of the Seven Day Adventist to the third year class.

Sherry is doing fine. She is still having to do her routine hearing test. I have been having some trouble with my back. According to the doctor I have been having back spasms. They have given me some medication along with a tens unit to help with the spasms.

Everyone at the school is doing well. We are preparing for our lectureship this year. Our lectureship starts June 5th though June 9th. All of our students will be speaking on the lectureship this year. We will be having a friends and alumni dinner Tuesday evening June 7, if any of you could make it we would love to have you.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service

We live in a world filled with Bible illiteracy mixed with worldliness. This has resulted in religious confusion regarding the objectivity of truth, what is authorized by God, and the pattern of the New Testament Church. We invite you to test what you believe, hear what the Bible reveals, and hold fast to God's ways. 'Nobody' will challenge your knowledge, strengthen your faith, and show the Christ taught walk of Christianity. Come and see if you speak where God speaks and are silent where He is silent.

"Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God. Which things also we speak, not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth; comparing spiritual things with spiritual."
