Dear Brethren,

Hope all is well. This quarter is almost over. It has been a very busy quarter. While teaching classes, we have also been preparing for our lectureship, graduation banquet and graduation. Once this quarter is over the students will have a short break. Josh Alley who is one of our second year students will be doing an internship for a congregation in Missouri. This is something we encourage our students to do during their summer break. This helps them get some experience while working with these congregations. We had planned on doing a campaign for the Coleman Avenue church of Christ in October, but that campaign has been cancelled. If you would like for the school to hold a campaign we would love to come. Just give me a call and we can try and set something up.

Sherry and I are doing fine. I have a few more speaking engagements lined up for this year. June 12 I will be at the Limestone church of Christ, July 13 at the Shackle Island church of Christ, July 27 at the Rome church of Christ and August 3 at the Seven Hills church of Christ.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service
Jeff Johnson
