Dear Brethren,

Hope all is well. The lectureship was a great success. It was very well attended. All of our graduates and students did a fantastic job with their assigned topics. You can go online to the schools face book page and view all the lectures. They can be viewed on the youtube page as well.

After the lectureship we did have an outbreak of covid. Nine people who attended the lectureship ended up sick. Sherry and I were two of the nine. I have recovered well and Sherry is recovering now. We both were given the new covid medicine called Paxlovid. It seemed to really help.

After the lectureship we had our graduation. We had four students to graduate. Josh Alley, Alek Aker, Kyle LaForce and Dustin Tinsley. The rest of the students are looking forward to a short break before the next quarter begins. During this short break, I will be doing some travelling to middle Tennessee to speak for some supporters. As for right now, we have three students starting in the fall. They are very eager to get started.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service
Jeff Johnson
