Dear Brethren,

Hope all is well. The fall quarter is almost over. The winter quarter will begin in a few weeks. The new students seem to be adjusting well.

As congregations begin to look at their budgets for next year, some will be able to continue with support and some will not. We were informed last month that two of our supporters will not be able to continue with support for next year. That will be a total of \$850.00 a month lost in monthly support. We are already trying to reach out to churches to raise these funds that will be lost. If you know of any individuals or congregations looking to help support a good work, please give them my contact information. That would be greatly appreciated.

Sherry is doing well. She will go back to the doctor this month for another hearing test. We hope and pray that she has not lost anymore of her hearing. As a precaution, going to the hearing doctor is something she has to do about every three months. We ask that you keep us in your prayers.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service
Jeff Johnson
