

Dear Brethren

February 5th, 2023

The new school quarter has started, and we are now getting into week two of the quarter. I am looking forward to the five classes that I have. The book of Isaiah, New Testament Survey, Calvinism, Historical Christian Evidences, and the books of 1st & 2nd Timothy and Titus. I will have more to write to you about the classes as the quarter goes on.

In a few months the students and I will be helping a congregation of the Lord's Church door knock for their gospel meeting and at different congregation of the Lord's Church we have an opportunity to preach in a gospel meeting.

Thank you for the support, I continue to ask for prayers as I continue my studies at the school preaching. I greatly appreciate the calls and the cards that have been sent to me they mean a lot to me. If the Lord wills I pray that someday I'll be able to visit you soon.

In Christian Love

Thank You

Denver K. Tate
