

Dear Brethren

March 1st, 2023

My classes are going well, and I am learning a lot from each class. We are now on week 5 of the third quarter and midterms have come upon. The third quarter is halfway over, and we are soon preparing for the lectureship that is in June, along with two door knocking campaigns this month.

I have less than 3 months before I graduate the 2nd year program for the 2022-2023 school year. I will be taking the 3rd year program when the next new school year of 2023-2024 and graduate in June of 2024.

This school year went by fast but I have gain more knowledge of God's word being here at the school of preaching. The 4th quarter coming up soon, and I am already looking forward to the classes that I have.

I will have more to write unto you later on. Continue to keep me in your prayers as I study at the school of preaching. Lord willing I pray that I am able to come visit you soon and have an opportunity to preach or help with the worship service.

Thank you for the support.
