Dear Brethren,

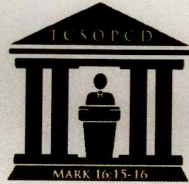

Hope all is well. Everyone here at the school is doing well. The students just finished another quarter and are eager for a short break before the next quarter begins.

Sherry and I are doing well. The grandchildren keep Sherry busy. I am getting ready for some Gospel Meetings coming up with the Limestone Church of Christ, The Sheffield Drive Church of Christ and the West Jefferson church of Christ in North Carolina. Next quarter I will be teaching the book of Job, Inspiration of the Bible and the book of Ezekiel.

I have added with this letter a flyer that shows the schedule for our lectureship. If you can make it we would love to have you present. Also, I have added a flyer showing next quarter's long distance learning classes. If you have any questions regarding the classes please give me a call.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service

BIBLE EDUCATION

DISTANCE LEARNING

FROM HOME OR IN PERSON

Open to All

1 CORINTHIANS

Time: Thursday, 7-9PM ET

Instructor: Ethan Tate

Place: TCSOPCD

1162 Hwy 91, Elizabethton, TN 37643

A culturally corrupt society can be one of the most effective locations for the gospel. The church at Corinth faced problems both outside and within as the apostle Paul pleaded with them to remember Christ's teachings. This class will examine the historical background of Corinth, the structure of 1 Corinthians, doctrines taught from this book & practical applications to help relationships among brethren and save the lost.

SINGING & SONG LEADING

Time: Tuesday

Instructor: Ethan Tate

Place: ONLINE ONLY

One of the greatest blessings in worship is to give the first fruits of the heart to God through the singing. This class is a *pre-recorded 6-week course* that will teach the New Testament commands of singing in worship, help students learn how to sing better, along with practical ways to continue growing as a song leader. Students will be given tools to help learn new songs, review hymns and lyrics, and encourage singing. All who love to sing, or desire to lead singing are encouraged to take this
