Dear Brethren,

Hope all is well. Everyone is doing fine. The quarter is well underway. We are now in the third week and the students seem to have adjusted well. This quarter is tough. We have had a door knocking campaign, a student Gospel Meeting and a lectureship. This quarter can be a bit overwhelming to students.

Bill Haywood (Director of the Tri-Cities School of preaching) will be doing some traveling in the month of May. Bill will be visiting congregations to give reports on the work of the school. If you would like Bill to visit or know of a congregation that he could visit, that would be interested in supporting the school, please contact myself or the school and we can get that set up.

Sherry is doing fine. She had a knot to come up in her hand, we thought it might have been a cyst. Turns out it is something called Dupuytren's Contracture. There's nothing that can be done for this except a possible surgery later on that could relieve some of the pressure in her hand.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service
Jeff Johnson
