Dear Brethren,

We hope all is well. The next quarter is soon approaching. We have three new students starting this quarter. We also have three more starting in the winter quarter. The long distance learning is doing well, we average about 40 students per quarter. With the Long distance learning we offer online classes that can be taken at home absolutely free. If you like more information about the long distance learning, just call the school or myself. If you know of any congregations or individuals that would like to support this good work please give them my contact information.

Sherry will be having a couple of surgeries soon. About a month ago her legs and ankles would swell. She went to a doctor and she has what is called lymphedema. It's where the veins in your legs stop working properly. She will have to have a surgery to fix this problem and then a gallbladder surgery. We ask that you keep us in your prayers.

Please continue to pray for us and the work at the Tri Cities School of Preaching. You are an answer to our prayers. Thank you for your support and may God continue to bless you.
