

Dear Brethren

September 1, 2023

Thank you for the support.

As we are getting closer to week five in a few weeks for the fall quarter. Midterms are about to take place here at the Tri-Cities School of Preaching & Christian Development. In all four classes that I am currently taking, I am learning a lot from my instructors by the lessons they are presenting in class. I appreciate the time and dedication they put into each lesson they do for every class.

This month I have more opportunities to go preach and to visit different congregation of the Lord's church here in the area where the school is located. I am thankful I am able to travel and be able to preach the word of God. I am grateful for the support you have blessed me with.

And again thank you for the support and continue keeping me in your prayers as a student at the Tri-Cities School Preaching Christian Development.

In Christian Love
