Dear Brethren,

Hope all is well. The new students seem to be settling in well. It's hard to believe that this quarter is almost over. The new quarter begins in just a few weeks. It's hard to believe that this year is almost over.

Next quarter I will be teaching the Book of Psalms and the Religion of Islam. Sherry is doing well. She has recovered from her gallbladder surgery. The first two weeks were rough but she is doing fine now. She will have to have another surgery in the future to repair some veins in her legs.

Our long distance learning program is doing great. We normally have about forty students per quarter. I have sent with this letter a flyer for next quarter classes. If you would like to take an online class it is free of charge. Just follow the instructions on the flyer and we can get you signed up for classes. If you need help with any of this just call the school or you can call myself and I will get you to the right person to get you signed up.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service  
Jeff Johnson
