

Africa Evangelism Quarterly

UNTIL ALL HAVE HEARD

God continues to bless the efforts of good men who are actively preaching the Gospel of Jesus Christ and promoting New Testament Christianity. It is such a blessing to be involved with this good work as we collectively work together for the good of the church in Africa.

In the last few months, I have been quite busy with several matters, both personal and missional, which have kept me running at high speed. My family has welcomed two new babies into our family (more grandchildren!) and I have made a trip to Tanzania with my son. While in Tanzania, he gave his first lesson while on the mission field (proud father moment). We also met with the Chimala Mission School of Preaching graduates as well as attended the graduation ceremony for the Dar es Salaam preaching schools. All in all, a very good trip.
