Dear Brethren,

Hope all is well, and that you enjoyed your Thanksgiving Holiday. Everyone here enjoyed being with their families.

It has been an eventful month for our family. We all ended up with R.S.V. One of our grandsons (Harrison Bogart) ended up in the hospital. He is out now and doing fine. Sherry has had three surgeries to repair some veins in her legs. She has one more surgery to go. She also broke her foot. She was coming down the stairs and missed a step, fell and broke her foot. So now, she is in a boot and will be in a boot for a few weeks. She will go back on the fifteenth of this month for more x-rays.

As for the school, everything is going well. We are in the process of updating our second year classroom. In a couple of weeks the students will be out for their Christmas Break. We are also in the process of finalizing our lectureship in April. We are also in the process of planning a future preachers training camp for ages 10-18. More details in the future.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service
Jeff Johnson
