Dear Brethren,

Hope all is well, and that you enjoyed your Holiday season. We are back to school from our break. Everyone enjoyed getting to spend time with their families.

Sherry and I are doing well. Her foot is still healing. She is still in a boot and will have to wear it for another two weeks. She is also still doing physical therapy for her lymphedema. She also has now a pressure machine that she has to do each night. This machine basically adds and subtracts pressure on her legs and arms and it also helps with the fluid buildup in her legs and arms.

I have some speaking engagements coming up this year. I will be in Chattanooga Tennessee in April and in Sasser Alabama in June. We look forward to being with these brethren.

We are also putting the final touches on our lectureship. The theme is Jesus Christ the Center of the Bible. The lectureship will be April 7-10.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service
Jeff Johnson
