Dear Brethren,

Hope all is well. We are finishing up this quarter. With all that's going on, this quarter has flown by. After the lectureship the students have a one week break and then it's back to school. The next quarter I am teaching the book of Job and the book of Daniel. We have already had some visits from some prospective students, and hopefully they will start in August.

We have a lot still happening at the school. In August we are starting a new program for students that have just graduated high school. These classes will focus on a solid structure before going in to college. The course will take two years to complete. Also, we are finishing up the remodeling of the second year classroom. Very busy time here at the School of Preaching.

Sherry has finally recovered from pneumonia. She has a visit to Vanderbilt in May to see a specialist for her Lymphedema. We hope and pray that all goes well.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service
Jeff Johnson
