Dear Brethren,

Hope all is well. The new quarter has started and all is going well. The students have settled in and are eager to study. We have as of right now seven prospective students for August. The lectureship went great. The students and speakers did a wonderful job with their topics. Next year's theme will be "Jesus Christ the Center of the Old Testament."

Sherry and I are doing fine. We will be traveling to Vanderbilt University Hospital the first week of May. She will be seeing a specialist for her Lipedema. She will probably have a couple more surgeries in the future for the Lipedema. We will have to wait and see what the doctor has to say.

A lot of good things are happening here at the school. New programs are in the works. Future preacher training camp, Classes for college age students, etc...Please keep these efforts in your prayers.

We want to thank you for all the support that you send to us while laboring here at the school. Without your support this school and work would not be possible. You are an answer to all of our prayers and may God continue to bless you.

In His Service  
Jeff Johnson
