Dear Brethren,

Hope all is well. The summer quarter has ended, graduation is over, with five graduating this year. We are expecting five new students that will be starting in August. We will have a total of fifteen students in August.

We are getting close to closing on the house that we are trying to buy for student housing. The last report that I have is that we have raised 360,000 of the 400,000 that is needed.

My dad is still recovering from his back surgery. My mother took a fall and hit her head on the porch causing a severe head concussion. She spent two days in the hospital and she also suffered a fractured tailbone. Please continue to remember these two in your prayers as they both recover. Sherry and I are doing fine. Staying busy with travels for the school and trying to keep up with these grandchildren.

If you know of any congregations or individuals that are looking to support a good work, please give them my contact information. We want to thank you so much for the support that you send to us as we labor here at the school. You are an answer to our prayers. Please continue to pray for us and the school and may God continue to bless you.

In His Service

Jeff Johnson
