Dear Brethren,

Hope all is well. Our fall quarter is nearing the end and students are getting ready for finals. They are also getting ready to attend the Spiritual Sword Lectures in Chattanooga.

Sherry and I are doing fine. I had a little health scare a couple weeks ago. I was sitting at home and felt dizzy and nauseous. I went to lay down for a bit and then my left arm started feeling heavy with tingling fingers. I was taken to the E.R. where they admitted me into the hospital and started treating me for a heart attack. After all the test (ultra-sound, blood work, stress test), everything came back ok. They determined it was high blood pressure along with vitamin D levels basically at zero. All that mimicked a heart attack. I'm on the proper medication now and I am doing much better. Please continue to keep us in your prayers.

If you know of any congregations or individuals that are looking to support a good work, please give them my contact information. We want to thank you so much for the support that you send to us as we labor here at the school. You are an answer to our prayers. Please continue to pray for us and the school and may God continue to bless you.

In His Service
