Dear Brethren,

Hope all is well. I hope and pray that you all had a wonderful Thanksgiving Holiday. We enjoyed being able to be with family and friends during the Holiday season.

Sherry and I are doing fine. The doctor changing my medication seems to be working out great. So far, I am feeling much better and with no problems. I got to do some deer hunting while off for Thanksgiving break and shot the biggest buck of my life, an eight-point scoring 132. I was beside myself! Sherry will let me hang this one on the wall in our house.

The students have returned from their Thanksgiving break, it was a much-needed break for all of us. We will be in school another three weeks and then out for another Holiday break. It's hard to believe that this year is almost over.

If you know of any congregations or individuals that are looking to support a good work, please give them my contact information. We want to thank you so much for the support that you send to us as we labor here at the school. You are an answer to our prayers. Please continue to pray for us and the school and may God continue to bless you.

In His Service
Jeff Johnson
