

Happy Febuary Everyone! We hope and pray that all of you are doing well after the winter storms that affected the country. We are doing well; our power, water, and heat have all held out. As of writing this update, we still have about 9 inches of snow on the ground and slick, icy roads.

January went well. The last week of January, Sierra and I were sick, but Savannah did not get sick. Savannah is doing great development-wise; she is running and playing all the time. Her last teeth are starting to really come in, so shes been a little angry about that.

The third year starts today(Monday). I look forward to the various classes they have planned out to further develop a better defense and appreciation for God's Word. This quarter I will have the following classes: Alleged Contradictions, Ministry Practicum, The Bible and Alcohol, Historical Christian Evidences, Calvinism / ReformedTheology, and World Religions.

Thank you for the work you do and the love you have shown to us. You are in our prayers. We are extremely grateful, thankful, and blessed by you. Your example of Christian Love is clear to us. Our daughter will grow up learning from and about the example of love you have shown, which I believe is extremely important and valuable to her, helping her develop her faith. Also, your love is seen by so many around us. Your example has opened the door to several conversations on several occasions, and these conversations may lead to someone obeying the gospel, and that would not have been a door-opener if it wasnt for you. Please keep us in your prayers as we continue to raise funding for the remainder of the year. Thank you again.

In Christian Love

Nathan, Sierra, and Savannah Tate
