## DOUBLE YOUR OUTREACH IN AFRICA!

**Etim Nyong** is our evangelism coordinator at the Nigerian Christian Bible College. He has done mission work in the Muslim-dominated north of Nigeria for many years before coming down to help us with evangelism at NCBC. He regularly takes students on evangelism outings for service and training. He is doing well!

In his work of coordinating our evangelism outreach, Etim has conducted countless seminars and Bible studies. He is truly a good worker for the Lord! Connected to that, he is training our students do follow the same model. We are thankful for him and his service.

In order to continue to see the work of African Christian Schools continue, we have a generous donor who is interested in our matching campaign this spring. Until June 21<sup>st</sup>, our "Spring Matching Campaign" will double any gift you give! Yes, your donation of any amount will be doubled, dollar for dollar, up to \$100,000. So, with your gift, you can **double your evangelism outreach in Africa!**

Nigeria is the 6<sup>th</sup> most populous country in the world. It is vital that we continue to have a strong presence in this giant of Africa for many years to come.

With this matching campaign, you'll be able to help us fund student training, update some of our facilities on the campus, and continue to build long-term sustainability so that more preachers like Etim will be enabled to continue doing the good work he is doing in Nigeria with our students.

Preachers like Etim are why we do what we do. **So, please give by June 21<sup>st</sup> to see your gift do twice as much for evangelism outreach in Africa.**

Until all have heard,
