Dear Brethren,

Hope all is well. Things at the school are going well. The new students have settled in and are doing fine. The lectureship was a great success, with over a 100+ each day and night. Next year's theme will be, "God said: I Am" The topics will be God said I am Redeemed, I am blessed, I am reconciled, etc...

Sherry and I are doing fine. I had a little accident with a hammer and a brick. I was leveling some bricks and hit my thumb with the rubber mallet and took the tip of my thumb off. It is recovering well. Sherry has an annual doctors visit in Lebanon Tn. regarding her Lipedema May 15. The things they have her doing has really helped.

If you know of any congregations or individuals that are looking to support a good work, please give them my contact information. We want to thank you so much for the support that you send to us as we labor here at the school. You are an answer to our prayers. Please continue to pray for us and the school and may God continue to bless you.

In His Service
