Dear Brethren,

Hope all is well and your fourth of July was great. Graduation was a success. We had about one hundred and fifty in attendance. Now the students get a little summer break before classes begin in August. Most of the students use this time to visit their supporters. I will be doing the same as well. In the next month we will be traveling to North Charleston South Carolina and Ocean Isle North Carolina.

Sherry's visit to Vanderbilt went well. The doctors are wanting to put her on a once a week shot. These shots have been proven to help with inflammation caused by the Lipedema and reduced the need for surgery and pain. Unfortunately, insurance will not pay and the battle with insurance begins. These shots are not cheap, about \$450.00 a month. Please keep us in your prayers.

We want to thank you so much for the support that you send to us as we labor here at the school. You are an answer to our prayers. Please continue to pray for us and the school and may God continue to bless you.

In His Service
