

Happy August, Brothers and Sisters! We hope that you have all had a wonderful summer so far. I am looking forward to school starting back next Monday; only 2 more quarters to go! It's hard to believe that we are so close to this finish line. We are extremely blessed with this opportunity and could not have done this without you. This quarter I will be studying: Christian Ethics, Evil/Pain/Suffering, Logic, Worldviews, Church History, and Ministry Practicum. We do have some distance learning classes starting as well; visit this website for more information: <https://tcschoolofpreaching.com/distance/>

We were blessed with the opportunity to visit PTP in Branson, MO again this year. Sierra taught the 6-year-olds in the mornings again; it was great to see brothers and sisters from all across the world. My wife has been working with one of our close family friends and fellow brother in Christ on 2 websites/apps to help the brotherhood. The first is ChurchNet, a congregation management program used for directory management, volunteer scheduling, streaming, events, and more. The second is Berean Study, an AI Bible Program designed to pull from the Bible and sound resources like GBN, AP, WVBS, and More. If you are interested in trying it out, please visit <https://bereanstudy.app/>. The goal with both of these is to provide affordable and sound resources and technology to the Church as a whole.

Savannah is continuing to grow both physically and mentally; she is getting really good at communicating what she wants and very clearly saying NO to what she doesn't want hahaha we have entered the no phase. She did recently ask us to pray and grabbed our hands; she is very sweet.

Sierra is doing well and continues to work at the church as one of the secretaries. She will also be taking the school's ladies' class on Psalms on Tuesday evenings online.

We appreciate everything you all have done and continue to do for us. Please pray for us as we finish school and begin to look for a congregation to work with. Thank you for laboring for us and blessing us. Have a great August!

In Chrisitan Love,

Nathan, Sierra, and Savannah Tate
